

DreamSpace App UI Documentation

1. Introduction

This document provides an overview of the DreamSpace User Interface (UI) layout. DreamSpace is an interior design application that allows users to create, customize, and visualize their design ideas effortlessly.

2. Features

- User Authentication: Secure login and registration system.
- Personalized Dashboard: Displays user preferences and recent activity.
- Interior Design Tools: Enables users to experiment with design elements.
- Terms & Conditions Agreement: Ensures compliance with platform rules.

3. UI Screens Overview

- Screen 1: Login Screen
 - Fields for email and password input.
 - "Forgot Password?" option for account recovery.
 - "Sign In" button for authentication.
 - Alternative "Sign Up" option for new users.
- Screen 2: Registration Screen
 - Fields for email, username, and password setup.
 - Terms & Conditions agreement checkbox.
 - "Back" button for easy navigation.
 - "Sign Up" button to create a new account.

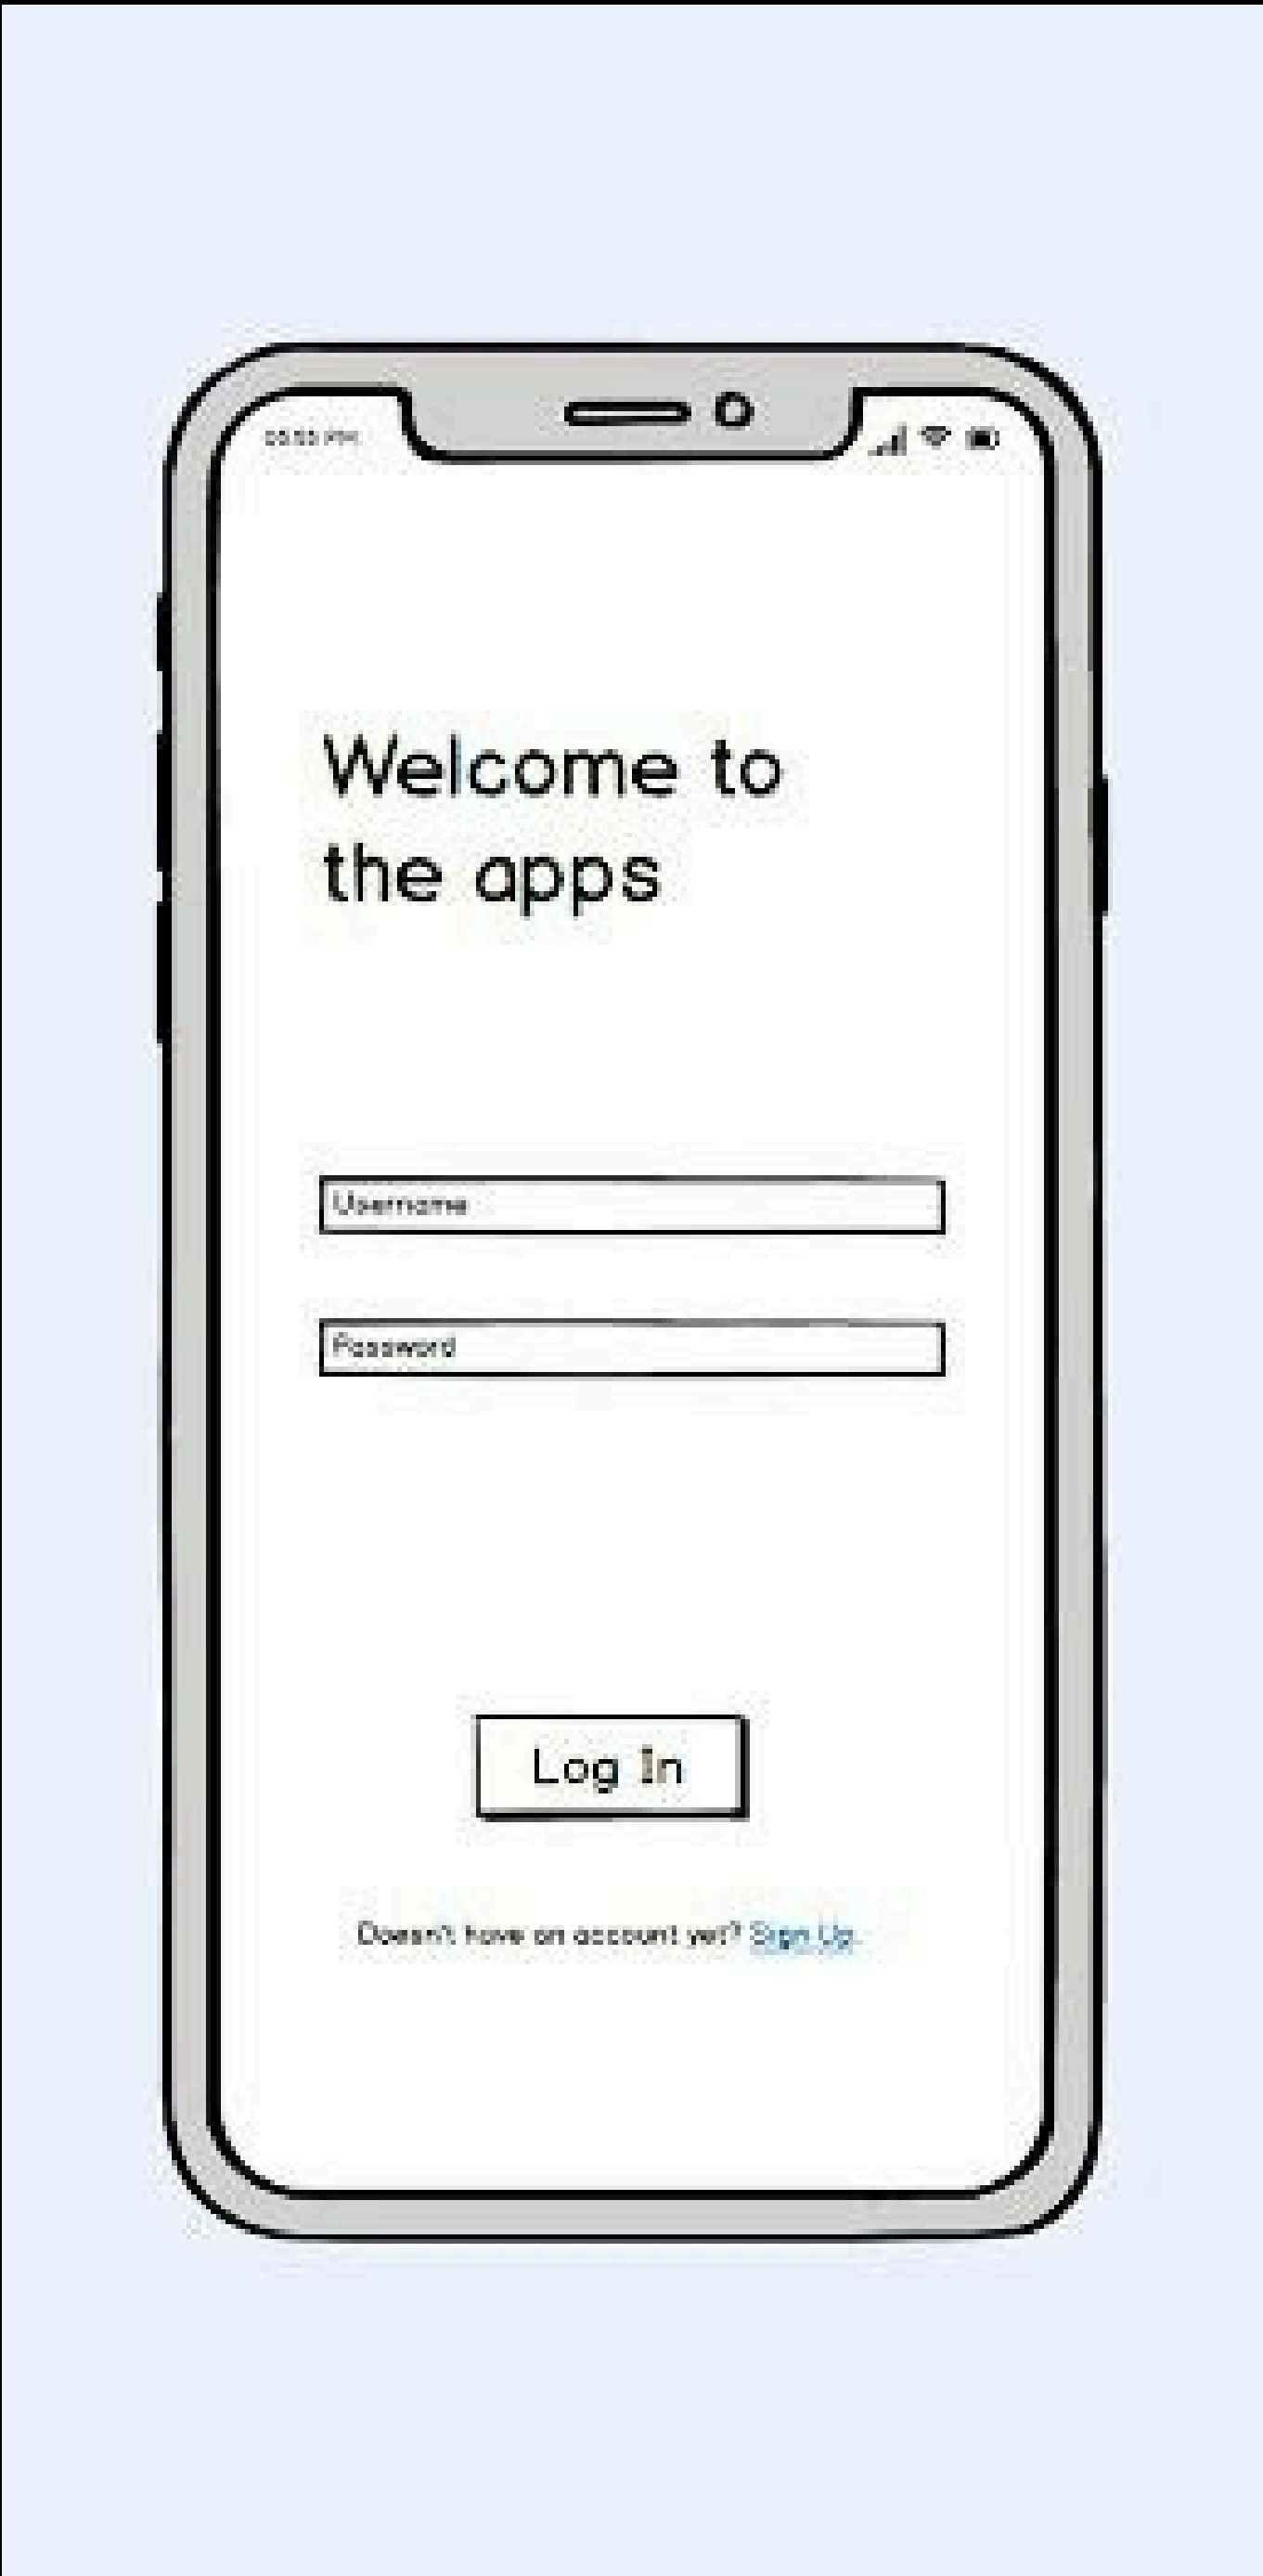

4. User Interaction Flow

- Users start at the Login Screen, entering their credentials to sign in.
- If they don't have an account, they navigate to the Registration Screen.
- After registering, they can access the main features of the app.
- Terms & Conditions must be agreed upon before proceeding.

5. Conclusion

The DreamSpace App provides an intuitive UI for users to authenticate, register, and explore interior design solutions. The simplified design ensures a smooth user experience.
